#### TO MAKE UP

Make sure purl side is the right side. Press all pieces. With purl sides together, and using a tiny backstitch, join front and back body pieces together all around from back neck to front neck. Turn through and stuff through neck opening, do not close seam. Join head side pieces from tip of nose to chin. Insert head gusset, matching markers (these are approximate eye positions), stuff head, moulding as you go, stuffing nose firmly first. Leave neck edge open. Join head to body around neck edge, adding more stuffing as you work. Tie a length of yarn around neck, pull up but not too tightly, fasten off. Sew up legs and arms and stuff, then pinning in place to body, sew on limbs, passing thread through body several times so arms and legs appear to be jointed. Sew the ears to the head, curving slightly. Sew the bead eyes to the head, sinking them in to the face by pulling the threads towards the back of the head and securing. Embroider a small nose, mouth and claws.
